

THE DAILY BULLETIN.

THURSDAY EVENING, JUNE 7, 1883.

ALL other summer drinks we know,
Are thrown quite in the shade,
When in yourself you get a glass,
Of St. Charles lemonade.
That man behind the walnut bar,
Knows how to draw it fine,
And as a mixer is, you know,
An artist in his line.

The English sparrows over the way,
Are still holding the fort and victory
perches upon their banners.

HON. HENRY WATSON is very confident that John G. Carlisle will be elected Speaker of the House of Representatives.

The street railway workmen have begun building a culvert on Third street at the head of market. They are also laying rails at the east end of the line.

The following marriage licenses have been issued in Brown County, Ohio, since our last report:

Aaron Burgett and Elizabeth Hopkins,
Frederick Voeder Bruegge and Catherine Schmidt.

A hog in the act of giving birth to a litter of pigs in the gutters of one of the public streets of Maysville was a sight witnessed by some of the citizens this week. And it occurred in an alleged civilized community.

At a meeting of the ex-Confederates, held on Wednesday afternoon, a resolution was adopted inviting Joseph Heiser Post, G. A. R., the ministers of the city and the citizens generally to be present at the decoration ceremonies at the cemetery on the 12th inst.

In order to give the street railway enterprise a boom let every business man in the city buy at least one dollar's worth of tickets. This will be showing a substantial appreciation of the energy and enterprise shown by our fellow citizens, Messrs. Frank and Robertson.

The following is from the Ripley Bee and Times: We are informed by a nephew of Mrs. Aletha Burr, that her remains were taken from the grave the next night after burial. The remains were interred near Charleston Bottom, Ky. She died at Ripley, March 6th, and was buried on the 7th.

The ladies of the Floral Committee of the Confederate Association request that all persons who intend to contribute flowers for decoration purposes will send them as early as possible on the morning of the 11th inst., either to Neptune Hall, on Third street, or to Mr. H. L. Newell's grocery, at the corner of Third and Limestone streets.

The ex-Confederate soldiers of this and the neighboring counties, will meet at the court house on Saturday afternoon at one o'clock, for the purpose of organizing a permanent association. All persons who were actively in the service of the Confederate States, in any capacity, are urgently asked to be present on the occasion, or, if it is not convenient to come, to send in their names for enrollment as members.

The commencement exercises of Riverside Seminary, at Vanceburg, came off this week, closing on the 6th at noon. Quite a number of visitors were in attendance. The programmes throughout were highly entertaining. Two medals were awarded: One in Elocution to Miss Mollie Fitch, and one in Criticism to Miss Irene Halbert. Alfred W. Farrar, of Tollesboro, was graduated, receiving the degree of bachelor of science. The art display of work done by the pupils was very beautiful. A special feature in the entertainment was music, instrumental and vocal, by members of the music class. Suffice to say that the commencement this year excelled anything of the kind ever given in Vanceburg before. Prof. Taylor, the principal of the seminary, is certainly deserving of success in his school work.

We are informed that the hog question will again be brought before the council at the meeting this evening. It is a nuisance that a regard for public decency requires should be abated. A majority of the people in the city demand it—in fact nobody favors the breeding of hogs in the city except those who own them and keep them here to prey upon the public. Not one in ten of them is taxed, and in the course of a year they destroy and consume property that amounts to a hundred times more than the tax that is paid on them. We have reason to believe that a majority of the city council are in favor of acting in this matter in conformity with the sentiment of the people if they dared to do it, but that a wholesome fear that some of the hog-owning strikers in their respective wards will prevent their re-election prompts them to stand on the side of wrong and outrage. The vote at the meeting this evening will be looked to with much interest.

Masonic Mutual Benefit Association.

The thirteenth annual meeting of the Masonic Mutual Benefit Association was held in this city on the 6th inst., President A. T. Cox in the chair.

The meeting was opened with prayer by brother W. N. Howe.

The address of the President was delivered and exhibited the association to be in flourishing condition. There were twenty deaths during the year and sixty-nine members were reported as having dropped out, but notwithstanding this there was an increase of the permanent fund of \$1,000. The investments of stock and bonds amount to \$3,600 and the uninvested cash to \$1,479.95, making in all a total fund of \$5,079.96.

The president appointed the following brothers to examine proxies: T. M. Dora, Dr. John P. Phister and L. H. Williams.

The Committee on Proxies reported the following which includes the personal vote of each individual named:

W. H. Holmes	171
C. O. Ammon	4
T. J. Chenoweth	11
A. T. Cox	1
John P. Phister	1
J. W. Alexander	2
J. H. Cooper	13
David Bahle	1
T. M. Dora	5
F. A. Browning	4
W. C. Sadler	35
L. H. Williams	14
T. H. A. on	14
Total	275

On motion the following thirteen members were declared elected a board of directors by the deposit of one ballot:

A. T. Cox	Edward Myall
Geo. W. Sulser	W. C. Sadler
C. O. Ammon	J. W. Alexander
T. J. Chenoweth	W. N. Howe
R. Bissett	Austin Holmes
John P. Phister	James H. Hall, Jr.
W. H. Holmes	

On motion the following members were declared a board of directors at large by the deposit of one ballot:

T. H. Williams, Ripley, Ohio.
T. M. Dora, Germantown, Ky.
W. Saunders, Carlisle, Ky.
J. R. Wilson, Augusta, Ky.
Jessie Ellis, Aberdeen, Ohio.
J. H. Cooper, Flemingsburg, Ky.
Dr. G. D. Buckner, Lexington, Ky.
W. H. H. Ebn, Ashland, Ky.

Brother L. H. Williams moved that the local board deserved the thanks of the association for their actions taken during the past year in recruiting up the association, and that they are requested to continue their efforts for the coming year, which was unanimously adopted. The motion was made and carried that Dr. John P. Phister prepare an address for publication in the newspapers in regard to the statistics and work of the association for the past year.
